## MEMORANDUM

**TO:** John Fitzpatrick, Acting City Manager  
**FROM:** Tom Stephany, Director of Parks  
**DATE:** January 2, 2008  
**RE:** Aquatic Invasive Species Control Grant

There will be a resolution on the City Council's January 8, 2008 agenda to approve the submittal of a grant application to the Wisconsin Department of Natural Resources (WDNR). The purpose of the grant is to secure funding and assistance for Aquatic Invasive Species (AIS) Control in Menominee Park's Miller's Bay for the next three (3) years.

I recommend that the Acting City Manager and Council support the submittal of the AIS grant application.
