

# Friends of the Oshkosh Seniors Center — 2010

The purpose of the Friends of the Oshkosh Seniors Center is to promote and support the Oshkosh Seniors Center.

Since its beginning in 1986, the Friends raised funds for the purchase of both buildings, helped fund programs and events, supported staff positions, purchased exercise equipment, funded free bus transportation to the Center, donated to Wisconsin Warmers, sponsored Birthday and Bingo, and generally paid for items that were not included in the city budget. Fundraising efforts by the Friends includes Winnebago Senior Tours, the sale of OCM cards, candy bars/chips, Gift Shop, annual Fall Family Fun Fest and the yearly support drive. Friends' support may also include volunteer time at the Center.

Please become an important Friend of the Oshkosh Seniors Center. Your support will make a difference in the lives of people age 50 and above, today and for future generations in Oshkosh! *Thank you!*
