

Let the City help you maintain or repair your home

The City of Oshkosh has an owner-occupied housing rehabilitation program. The Program offers a 0% deferred interest loan to low- and moderate-income single family property owners within the city limits. Loans may be used for roofing, plumbing, electrical, furnaces, painting and general repairs.

Funds cannot be used for remodeling or additions.

You must complete an application and be approved before any work is done. Your annual gross household income cannot exceed the amounts listed below.
