City of Oshkosh Declares Snow Emergency

(Oshkosh, WI.) The city of Oshkosh has declared a snow emergency for Oshkosh effective at noon today (December 12th).

During a snow emergency odd-even parking rules apply for a minimum of 48 hours for everyone. Overnight parking restrictions remain in effect.

On odd days, vehicles must be parked on the odd numbered side of the street. On even days, vehicles must be parked on the even numbered side of the street.

Today, December 12th, vehicles must be parked on the even side of the street from noon today until noon tomorrow. On December 13th, vehicles need to be moved to the odd of the street.

“Even though we can only enforce the odd-even parking rules we strongly suggest that all vehicles be removed from both sides of the street to ensure safe and efficient snow plowing operations,” said City Manager Rohloff.

The snow emergency will be lifted at noon on December 14th.
