City Collection of Electronics Ends September 1st

(Oshkosh, WI.) Due to a change in the state law the city of Oshkosh would like to notify residents that the Sanitation Division will no longer provide curbside collection of electronic items as of September 1, 2010.

These items include computers, monitors, televisions and other video display devices, fax machines, DVD players, VCR players, printers, and cell phones.

Wisconsin law requires businesses and institutions to recycle discarded electronics or handle them as a hazardous waste.

Residents who need to dispose of used electronics may utilize Winnebago County Recycling located at 100 W. County Road Y, Oshkosh. Call (920) 232-1800 for the current charges.

There are also several other recycling locations in the Fox Valley. To view the complete list log on to the Sanitation Division page of the city website, www.ci.oshkosh.wi.us or [click here](#).

If you would like more information, please contact the Sanitation Division at (920) 232-5393.
