City Releases Sustainable Oshkosh Annual Report

(Oshkosh, WI.) The city of Oshkosh has just released its first annual Sustainable Oshkosh Report. The project was a joint effort between the Sustainability Advisory Board and city staff. The report is the result of training received by city staff at last year's Fox Valley Sustainability Training Seminar.

"Several municipalities in the Fox Valley area have been working towards sustainability initiatives over the past few years and this report highlights some of Oshkosh's efforts," said Oshkosh Principal Planner Robin Leslie.

The report is available on the city website, www.ci.oshkosh.wi.us.

If you would like more information, please contact Principal Planner Robin Leslie at (920) 236-5058.
