City Seeks Input on Menominee Park Plan

(Oshkosh, WI.) The Parks Department is inviting residents to take part in a citizen survey regarding Menominee Park. The goal of the survey is to receive public input on current park and recreation facilities at Menominee Park as well as future development and facility needs at the park. The feedback will be used as the Parks Department develops the master plan for the park.

The survey is available on the city website, www.ci.oshkosh.wi.us, under the hot topics section. Hard copies of the survey are also available at the Oshkosh Public Library reference section, Seniors Center, Parks Department, and City Hall in the City Manager's office.

The deadline to complete the survey is March 16, 2012.

If you have any questions, please call the Parks Department office at (920) 236-5080.
