## **City to Host Pedestrian and Bicycle Circulation Plan Meeting and Open House**

(Oshkosh, WI.) The city of Oshkosh is hosting a presentation and open house for the public on the recently completed Draft Pedestrian and Bicycle Circulation Plan. The meeting will be held at the Oshkosh Seniors Center (200 North Campbell Road) in the Willow Room on Thursday, August 11, 2011. The presentation will run from 6:00 p.m. to 6:30 p.m. The open house will follow the presentation from 6:30 p.m. - 7:30 p.m.

The city recognizes there are great personal, environmental, and societal benefits of walking and bicycling for both recreation and transportation purposes and is dedicated to enhancing and promoting safe and efficient pedestrian and bicycle circulation routes within our community. The Draft Pedestrian and Bicycle Circulation Plan seeks to develop and maintain a pedestrian and bicycle friendly transportation system that is safe, increases physical activity and recreational options, and is an economic asset to the community.

The success of any planning effort requires active public participation and the implementation of recommendations require strong community support. The plan can be viewed on the city website, [www.ci.oshkosh.wi.us](http://www.ci.oshkosh.wi.us), or by [clicking here](#).

If you would like more information, please contact Principal Planner David Buck at (920) 236-5059. If individuals attending require special accommodations, please contact the Planning Services Division in advance at (920) 236-5059.
