## **Construction on Westfield Street Bridge Begins August 1st**

(Oshkosh, WI.) The city of Oshkosh would like to notify residents that construction work on the Westfield Street Bridge over Sawyer Creek will begin on Monday, August 1, 2011. The work is part of the storm water management plan for the Sawyer Creek watershed.

The scope of the work includes replacing the existing bridge, for which the driving surface is failing, replacing the storm sewer, sanitary sewer, and water main in the vicinity of the bridge. The bridge will be closed during the majority of the project work. It is anticipated that the work will be completed by October 31, 2011.

For more information on the project please contact the Public Works Department at (920) 236-5065.
