## **“Go Green with OTS” 5th Grade Poster Contest**

(Oshkosh, WI.) The Oshkosh Transit System (OTS) invites all city of Oshkosh fifth grade students to participate in the “Go Green with OTS” poster contest. The goal of contest is to present public transit as an environmentally-friendly option for travel within the city of Oshkosh.

Four designs will be selected as first place winners. The four winning students will be recognized by having their artwork displayed on an Oshkosh Transit System hybrid-electric bus (one design on each bus). All 5th grade participants will receive a certificate of appreciation.

“Students are the future leaders of the community and we would like their creative help to spread the word about the Oshkosh Transit System,” says Chris Strong, City of Oshkosh Transportation Director and Manager of the Oshkosh Transit System.

Entries are due on November 3, 2010. Contest rules and entry information have been directly communicated to public, private, and home-schooled contacts in the city of Oshkosh. Contest information can also be found at [www.oshkoshtransit.com](http://www.oshkoshtransit.com).
