Media Advisory

(Oshkosh, WI.) The media is advised that the Oshkosh Transit System (OTS) will have a news conference on Tuesday, September 21, 2010 at 10:30 a.m. to unveil their new hybrid buses.

Oshkosh Transit will be the first transit system in Northeast Wisconsin to utilize hybrid buses in public transit. The four new 40-foot hybrid buses will replace four existing conventional diesel buses built in 1997.

The news conference will be held at the Downtown Transit Center at 110 Pearl Avenue, Oshkosh, WI. A new OTS hybrid bus will be on display and informational tours of the bus will be available.

Please contact Communications Coordinator Dean Leisgang in advance at (920) 236-5269 or dleisgang@ci.oshkosh.wi.us if you plan on attending the September 21st event.
