Ice Rink Opens

(Oshkosh, WI.) The city of Oshkosh parks department has created an ice skating rink in Millers Bay at Menominee Park. The ice rink is located east of the parks department maintenance shop and south of the boat launch.

The rink is open daily during daylight hours on a skate at your own risk basis.

In cases of snowfall, the rink will be cleared as time permits following snow removal on roadways and sidewalks. The rink will remain open for the winter season as long as the ice conditions are safe.

If you have any questions, please call the parks department office at (920) 236-5080.
