## **Inspection Services Division Extends Office Hours**

(Oshkosh, WI.) The Inspection Services Division would like to notify residents of updated walk-in hours for the public. Inspections staff will now have a building inspector available from 7:30 a.m. to 4:30 p.m. Monday through Friday starting on May 2nd for general information. Commercial contractors are encouraged to schedule an appointment at 236-5050, as they have in the past.

In an effort to streamline operations, staff asks that customers call 236-5050 in advance of their visit to determine what they need to bring to City Hall. All permits and forms are available on the city website, [www.ci.oshkosh.wi.us](http://www.ci.oshkosh.wi.us).

The extended walk-in hours are a result of citizen input to the City Council and Lean training. Staff will continue to review operations for continuous improvement and better customer service.
