Park System Public Input Meeting Scheduled for May 26th

(Oshkosh, WI.) The Oshkosh Parks Department has scheduled a public input meeting on Thursday, May 26th to receive citizen input on the park system and the update of the city's Comprehensive Outdoor Recreation Plan.

The city has hired Rettler Corporation of Stevens Point to assist in the update of the plan. Parks Department staff and representatives from Rettler Corporation will provide an overview of the process to date and a tentative schedule for completion of the project. More importantly, citizens will be provided the opportunity to share their thoughts about existing park facilities as well as future park development and amenities.

Citizens may also share their thoughts about the park system by participating in the Oshkosh Parks Survey. The survey can be found online on the city website, www.ci.oshkosh.wi.us. Hard copies of the survey are also available at the Oshkosh Public Library reference section, Seniors Center, Parks Department, and City Hall in the City Manager's office. The deadline to complete the survey is Tuesday, May 31st.

The May 26th public input meeting will be held at City Hall in room 404 from 5:30 – 7:30 p.m. For more information, please contact the Parks Department at (920) 236-5080.
