Seasonal Curbside Brush Collection Starts April 4th

(Oshkosh, WI.) The city of Oshkosh Sanitation Division would like to remind residents that regular monthly curbside brush collection begins the week of April 4th through April 8th. Collection will continue for the first **full** week of each month through December.

Materials must be out for collection by 7:00 a.m. on your regular solid waste collection day. Brush that has a diameter of less than three (3) inches should be tied in bundles not to exceed four (4) feet in length or fifty (50) pounds in weight.

Material can also be placed in PAPER BIODEGRADABLE BAGS. Plastics bags, other containers, or loose leaves will **not** be collected.

The annual Spring Clean Up is scheduled for April 18th through May 6th. The Spring Clean Up is an extended collection schedule to help residents dispose of larger volumes of yard waste. The Sanitation Division will allow grass/thatch or garden material to be placed in paper biodegradable bags during this time.

For more information, please contact the Sanitation Division at (920) 232-5383.
