Street Reconstruction Program Update

(Oshkosh, WI.) The city of Oshkosh would like to notify residents that work will begin on the second concrete paving and utilities project in the city's annual street reconstruction program in a variety of locations starting Monday, May 3, 2010.

The construction will start on Broad Street between Irving Avenue and Parkway Avenue, on Powers Street between New York Avenue and Nevada Avenue, and on Tennessee Avenue just east of Powers Street.

Construction activities on Melvin Avenue are not expected to start until the week of June 14th, when the school year is over. Construction activities on Grand Street will start approximately one to two weeks after construction activities start on Melvin Avenue.

If you would like more information, please contact Public Works at (920) 236-5065.
