Tipler Conveyance Upgrades Start This Week

(Oshkosh, WI.) The city of Oshkosh would like to notify residents that Tipler conveyance upgrades will begin the week of April 25, 2011. The contractor intends to perform exploratory digs to clearly identify the location of underground utilities this week.

Construction of the storm sewer conveyance upgrades is currently scheduled to begin the week of May 2nd. Construction will start at the detention basin, and then proceed towards Koeller Street.

There will be lane restrictions, but access will be maintained to properties on South Westfield Street at all times. There will be lane restrictions on South Koeller Street when the construction reaches that point, however access will be maintained. The Landmark Plaza driveway located between Midas and the Marcus Theaters will be closed for part of the construction. The other two driveways into Landmark Plaza will remain open.

It is anticipated that the construction project will take approximately seven weeks to complete.

If you would like more information, please contact Public Works at (920) 236-5065.
