Rescheduled lane restrictions and ramp closures on US 41 in Oshkosh

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region Office in Green Bay is announcing all US 41 southbound traffic between US 45 and Breezewood Lane will be shifted to recently expanded northbound lanes (two lanes in each direction) tonight after 7 p.m., to allow reconstruction of southbound lanes. Additionally, the US 41 southbound on-and off-ramps at WIS 76 will be closed for approximately one hour tonight, between 10 p.m. and 2 a.m. The traffic switch and ramp closures had previously been scheduled for the evening of Thursday, April 14. Rolling roadblocks will be used to switch traffic. Motorists should expect 11-foot travel lanes and 55 mph speed limit.

All lane restrictions are weather dependant and subject to change. Motorists should use extreme caution and remain alert when driving through any work zone.
