Weekly construction update

(Green Bay) The Wisconsin Department of Transportation (WisDOT) NE Regional Office in Green Bay is providing a weekly update on region construction, which includes the counties of Brown, Calumet, Door, Fond du Lac, Kewaunee, Manitowoc, Marinette, Oconto, Outagamie, Sheboygan, and Winnebago.

Motorists are advised to use caution and remain alert when driving through any work zone.

Drivers are also encouraged to seek information about work zones and detours in the following ways:

- For statewide, recorded road construction information, 24 hours a day, call 511.
- For statewide road construction on the World Wide Web, visit www.511wi.gov

North Main Street, city of Oshkosh

Schedule: March 15, 2010 to November 2010

Length: 0.8 Miles

Cost: \$6 million

Location: Fox River Bridge to Irving Avenue

Description: This project involves the complete reconstruction of North Main Street. Project includes grading, base aggregate, storm sewer, sanitary sewer, water main, service laterals, concrete pavement, concrete curb and gutter, concrete sidewalk, signing, street lighting, traffic signals, landscape plantings and incidentals.

October 23 to October 29: The contractor is scheduled to work on traffic signals, street lighting and pavement marking at various locations on the project. Street sweeping, clean-up and punch list work are also scheduled.

October 30 to November 5: The contractor is scheduled to work on misc. punch list items on the project. This work will require intermittent parking lane closures.

Traffic Impacts: N. Main Street is scheduled to be reopened to traffic late in the afternoon on Friday, October 29.
