

Moving Permits

City of Oshkosh Inspection Services Division

This handout will help guide you through the permit application process. Following the steps below will help to expedite the issuance of your building permit. Please plan ahead and pick one of the following methods to apply for your permit. We suggest that you apply for the permit a minimum of 2 weeks prior to your start date. Permits can be applied for by using the following methods below:

In Person:

This is the best method to discuss the specifics of your project with a planner and inspector. Typically if all the required information is submitted, and the information is found acceptable, the permit can be issued at that time.

How to Apply

Step 1: Submit the following information to the Inspection Services Division:

- Detailed description of the project
- Type of buildings being razed (residential and/or commercial)
- Size of all buildings being razed
- Detailed route description
- Use of the buildings (single family, duplex, commercial retail, accessory, etc)
- Moving width, length and height

Typically if all the required information is submitted, and the information is found acceptable, the permit can be issued within 2 weeks. Inspectors are available for consultation and permit issuance 7:30am-4:30pm Monday through Friday.

Payment

The City of Oshkosh accepts cash, check or credit cards for payment (a service fee applies when using a card). If you have questions on permit fees please see page 2.

Inspection Requests

After the permit is obtained inspections can be requested by calling the Inspection Request Line at (920) 236-5128. You will need the permit number or address to request inspections.

Online:
