

SUBMITTAL REQUIREMENTS – Must accompany the application to be complete.

(Submit only digital files. Please note at the discretion of Community Development staff may request a hard copy)

The following information must be provided in order for the application to be considered complete and able to be scheduled for Plan Commission Review. Please use the checklist below to determine the required information to be submitted at the time of application. If all information below cannot be provided at the time of application, please request a waiver in writing to the Division's Director or designee.

- **A General Development Plan (GDP) submittal, per Section 30-387(C)(4), shall include the following items (Submit only digital files. Please note at the discretion of Community Development staff may request a hard copy):**
 - General location map of the subject site depicting:
 - All lands for which the Planned Development is proposed and other lands within 100 feet of the boundaries of the subject property.
 - Current zoning of the subject site and abutting properties, and the jurisdiction(s) that maintains that control.
 - A graphic scale and north arrow.
 - Generalized site plan showing the pattern or proposed land uses, including:
 - General size, shape, and arrangement of lots and specific use areas.
 - Basic street pattern and pattern of internal drives.
 - General site grading plan showing preliminary road grades.
 - Basic storm drainage pattern, including proposed on-site stormwater detention.
 - General location of recreational and open space areas, including designation of any such areas to be classified as common open space.
 - Statistical data, including:
 - Minimum lot sizes in the development.
 - Approximate areas of all lots.
 - Density/intensity of various parts of the development.
 - Building coverage.
 - Landscaping surface area ratio of all land uses.
 - Expected staging.
 - Conceptual landscaping plan.
 - General signage plan.
 - General outline of property owners association, covenants, easements, and deed restrictions.
 - A written description of the proposed Planned Development, including:
 - General project themes and images.
 - The general mix of dwelling unit types and/or land uses.
 - Approximate residential densities and nonresidential intensities.
 - General treatment of natural features.
 - General relationship to nearby properties and public streets.
 - General relationship of the project to the Comprehensive Plan or other area plans.
 - Proposed exceptions from the requirements of the Zoning Ordinance.
 - Traffic Impact Analysis (TIA), if deemed necessary by the Director of Planning Services, or designee.

- **A Specific Implementation Plan (SIP) submittal, per Section 30-387(C)(5), shall include the following items. Note that the area included in an SIP may be only a portion of the area included in a previously approved GDP (Submit only digital files. Please note at the discretion of Community Development staff may request a hard copy):**
 - An existing conditions map of the subject site depicting the following:
 - All lands for which the Planned Development is proposed and other lands within 100 feet of the boundaries of the subject site.
 - Current zoning of the subject property and all abutting properties, and the jurisdiction(s) that maintains that control.
 - Existing utilities and recorded easements.
 - All lot dimensions of the subject site.
 - A graphic scale and a north arrow.
 - An SIP map of the proposed site showing at least the following:
 - Lot layout and the arrangements of buildings.
 - Public and private roads, driveways, walkways, and parking facilities.
 - Specific treatment and location of recreational and open space areas, including designation of any such areas to be classified as common open space.

- ❑ Proposed grading plan.
- ❑ Specific landscaping plan for the subject site, specifying the location, species, and installation size of plantings. The landscaping plans shall include a table summarizing all proposed species.
- ❑ Architectural plans for any nonresidential buildings, multi-family structures, or building clusters, other than conventional single-family or two-family homes on individual lots, in sufficient detail to indicate the floor area, bulk, and visual character of such buildings.
- ❑ Engineering plans for all water and sewer systems, stormwater systems, roads, parking areas, and walkways.
- ❑ Signage plan for the project, including all project identification signs, concepts for public fixtures and signs, and group development signage themes that may or may not vary from City standards or common practices.
- ❑ Specific written description of the proposed SIP including:
 - Specific project themes and images.
 - Specific mix of dwelling unit types and/or land uses.
 - Specific residential densities and nonresidential intensities as described by dwelling units per acre, and landscaping surface area ratio and/or other appropriate measures of density and intensity.
 - Specific treatment of natural features, including parkland.
 - Specific relationship to nearby properties and public streets.
 - Statistical data on minimum lot sizes in the development, the precise areas of all development lots and pads; density/intensity of various parts of the development; building coverage, and landscaping surface area ratio of all land uses; proposed staging; and any other plans required by Plan Commission.
 - A statement of rationale as to why PD zoning is proposed. This statement shall list the standard zoning requirements that, in the applicant's opinion, would inhibit the development project and the opportunities for community betterment that are available through the proposed PD project.
 - A complete list of zoning standards that would not be met by the proposed SIP and the location(s) in which such exceptions/base standard modifications would occur.
 - Phasing schedule, if more than one development phase is intended.
- ❑ Agreements, bylaws, covenants, and other documents relative to the operational regulations of the development and particularly providing for the permanent preservation and maintenance of common open areas and amenities.
- ❑ A written description that demonstrates how the SIP is consistent with the approved GDP and any and all differences between the requirements of the approved GDP and the proposed SIP.

I hereby certify that to the best of my knowledge all required application materials are included with this application. I am aware that failure to submit the required completed application materials may result in denial or delay of the application request.
