All applications should be submitted to the Planning Services Division, located on the second floor of Oshkosh City Hall, room 204, 215 Church Avenue – 920-236-5059. **Applications received after the noon deadline will be processed with the next scheduled filing date.**

- It is highly recommended that all applicants meet with a department planner prior to filing an application for Plan Commission review. Incomplete applications may result in a delay for review.
- A complete reproducible site plan drawn to scale, **maximum size 11 x 17**, including but not limited to: all structures, parking, landscaping, lot lines and streets with distances to each, must be submitted with the application.
- All Common Council dates are tentative as some requests will require publication in the newspaper and will not be able to be placed on the next Council Agenda after the Plan Commission meeting.
