City of Oshkosh COVID-19 Update 4: March 18, 2020, 3:30 PM

This information is current as of the release date and time, and remains subject to change.

OSHKOSH, Wis. March 18, 2020 – In response to the COVID-19 pandemic here are the latest updates from the City of Oshkosh.

Go Transit remains operational. However, the warming shelter at the transfer station has been closed. This is based on the order of social distancing. GO Transit riders are reminded to follow CDC guidelines on good hygiene and practice social distancing to the maximum extent possible and are encouraged to spread out once inside of the bus.

If you are looking for more information the Winnebago County Health Department has a COVID-19 hotline at 920-232-3026 or Aurora Healthcare COVID-19 Hotline at 866-443-2584. Another great resource is 2-1-1. Supported by United Way, it is a free and confidential service that helps people find local resources 24/7.

For the most current information regarding COVID-19 outbreak, please visit www.ci.oshkosh.wi.us.

The City of Oshkosh continues to follow recommendations from local, state and federal agencies in order to establish preemptive measures to assist in reducing the spread of COVID-19. For the latest information from the Center for Disease Control (CDC) regarding COVID-19, please visit:
