Emergency street closures due to flooding

OSHKOSH, Wis. March 14, 2019 – The City of Oshkosh has closed several streets due to flooding this afternoon. The following streets will be closed until further notice:

- West 9th Avenue from South Westhaven Drive to South Oakwood Road
- North Westfield Street from Robin Avenue to Oshkosh Avenue
- North Main Street from Packer Avenue to Fernau Avenue
- South Oakwood Road from Newport Avenue to West 9th Avenue

Motorists are urged to avoid the areas of the above listed streets, and to practice caution when driving near any flooded areas. Conditions may change rapidly with ice movement and weather. Residents who live on streets that have been closed should not attempt to drive through flooded areas and should find alternate parking.

Please contact the Oshkosh Streets Department with any questions concerning current flooding in Oshkosh at 232-5380.
