Electronic Pay Stations Coming Soon to Some Oshkosh Boat Launches

OSHKOSH, Wis., July 21, 2020 – The city of Oshkosh Parks Department will be installing electronic pay stations at the Rainbow Memorial Park, Fugleberg, and 24th Avenue Boat Launches. The pay stations are scheduled to be operational on Friday, July 24th, and will operate on solar power to save on energy and installation costs. Fifty percent of the cost of the units was funded by a Department of Natural Resources grant.

The kiosks will have easy to follow, on-screen instructions for users. The pay stations offer the convenience of being able to accept Visa, MasterCard and Discover debit/credit cards, as well as secure cash payments. Users may purchase daily, annual, and multi-year passes. Users will need to exchange their annual or multi-year pass receipt within 14 days for a windshield sticker at the Oshkosh Parks Department office. The receipt will serve as a temporary pass and needs to be exchanged for a windshield sticker for those passes. The Oshkosh Parks Department office is located at 805 Witzel Avenue, Oshkosh WI 54902.

If the pay stations are received well by the public and work to the expectations of Parks Department staff, additional units will be purchased later this year and installed at all of the other boat launch sites.

Boat launch passes may continue to be purchased online (for annual and multi-year passes) at <https://www.ci.oshkosh.wi.us/Parks/BoatLaunchesMooring.aspx> or in person at Hergert Sport Center and Fox River Bait & Tackle. For questions regarding the electronic pay stations, please contact the Oshkosh Parks Department at (920) 236-5080.
