**Oshkosh City Hall will be open for early voting only**  
*The building will be closed to the public for all other services*

**OSHKOSH, Wis., October 15, 2020** – With the number of COVID-19 cases increasing in Winnebago County, Oshkosh City Hall will only be open to the public to conduct election activities at the City Clerk’s office beginning October 19<sup>th</sup> through November 6<sup>th</sup>. No other in-person services will be available in the building during this time period. This is being done as a health precaution to reduce the number of people in the building, and as a safety measure for voters. “We want those wishing to cast in-person absentee ballots to do so in as safe a manner as possible,” said Oshkosh City Clerk Pam Ubrig. “Out of an abundance of caution, voters will be the only members of the public to be able to conduct business in City Hall.”

Residents may register to vote at the City Clerk’s office now through Friday, October 30<sup>th</sup>. In-person absentee voting will take place from Tuesday, October 20<sup>th</sup> through Friday, October 30<sup>th</sup>. The City Clerk’s office is open weekdays from 8:00 a.m. until 4:30 p.m.
