Scheduled loose leaf collection ends November 19th
Other options still available for residents to dispose of loose leaves

OSHKOSH, Wis., November 19, 2021 – Scheduled curbside leaf collection will be completed in Oshkosh on Friday, November 19th. As the city has done in the past, weather permitting, staff will be out during the week of Thanksgiving, but they will not be following any specific scheduled days or routes. Due to the holiday week and staffing shortages for the week, city crews are unable to do a full scheduled run through the city. The equipment that is used for loose leaf collection also must be converted for snow removal operations in preparation for the winter season.

As a reminder, the Yard Waste Drop-off Site on 3rd Avenue remains open on summer hours (11:00 a.m. to 7:00 p.m. on weekdays and 10:00 a.m. to 6:00 p.m. on weekends) through November 30th. Starting on December 1st, winter hours are in place (7:00 a.m. to 3:00 p.m. Monday through Friday). Permits are available at City Hall (215 Church Avenue) or at Kitz & Pfeil Hardware (451 N. Main St.).

Sanitation Division has a scheduled “brush week” the week of December 6th on the normally scheduled garbage collection day. Place leaves and garden debris in paper biodegradable bags on your terrace. Brush may also be bundled and tied. Bundles can be no longer than 4 feet in length and branches no greater than 3 inches in diameter. Bags and bundles should not exceed 50 pounds in weight. Grass clippings, dirt, root balls, or tree stumps will not be collected at any time. Find more information from your city of Oshkosh Sanitation Department by visiting <https://www.ci.oshkosh.wi.us/Sanitation/Links.aspx>.
