**Monthly Brush Collection begins the week of April 4, 2022**

**OSHKOSH, Wis., March 21, 2022** – The Oshkosh Sanitation Division would like to notify residents that regular monthly curbside brush collection begins the week of April 4th. Curbside collection of brush is scheduled **on your garbage collection day** during the first full week of each month that does not contain a City of Oshkosh observed holiday, from April through December.

The annual spring cleanup is scheduled for April 25th through May 13th. Spring cleanup is an extended brush collection schedule to help residents dispose of yard waste. Brush is defined as tree branches, leaves, hedge clippings, and garden debris (**no grass, dirt, root balls or stumps**).

Brush should be placed in biodegradable bags or bundled and tied. Bundles can be no longer than 4 feet in length and have no branches greater than 3 inches in diameter. Bags and bundles shall not exceed fifty pounds in weight. Place bags and bundles at least 3 feet away from your garbage and recycling carts on the terrace or driveway apron, no later than 7 a.m. on your scheduled collection day. Please be sure not to obstruct the sidewalk.

**Plastic bags, other containers, or loose leaves will not be collected. The Sanitation Division does not pick up grass, dirt, root balls or stumps at any time.**

For more information, please contact the Sanitation Division at (920) 232-5383.
